

## Team Involvement in Demonstration

|               |                                  |
|---------------|----------------------------------|
| Date          | 1 October 2026                   |
| Team ID       | 6ab224f9f32d8c9d8b2253f9         |
| Project Name  | Import data using transform maps |
| Maximum Marks | 1 Mark                           |

### Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

| S.No | Team Member Name | Role in Demo | Section Presented                | Contribution Summary                                  | Participation (Active / Passive) |
|------|------------------|--------------|----------------------------------|-------------------------------------------------------|----------------------------------|
| 1    | Team Member 1    | Presenter    | Introduction & Problem Statement | Explained the problem and why the import is needed.   | Active                           |
| 2    | Team Member 2    | Presenter    | Solution Overview                | Walked through the architecture diagram.              | Active                           |
| 3    | Team Member 3    | Live demo    | Data Source and Import Set       | Created the Data Source and loaded the file.          | Active                           |
| 4    | Team Member 4    | Live demo    | Transform Map                    | Showed the field mappings, coalesce field and script. | Active                           |
| 5    | Team Member 5    | Live demo    | Run and Verify the Import        | Ran the transform and showed the results.             | Active                           |
| 6    |                  |              |                                  |                                                       |                                  |

### Team Coordination Notes:

| Aspect                                 | Details                        |
|----------------------------------------|--------------------------------|
| Team Leader / Coordinator              | [Enter the team leader's name] |
| Overall Team Coordination Rating (1-5) |                                |
| Any issues during demo                 |                                |
| How issues were resolved               |                                |
